

1. As a resident of San Diego county I receive the Airl radio broadcast, which provides clean, uplifting, and encouraging programming.
2. The local community is better off with Airl on the radio, it would take a step backward if Airl were to be displaced by an LPFM broadcaster providing other programming.
3. Airl provides clean, uplifting, and encouraging programming, something other radio stations do not. Airl is there to help people, not just to entertain them. It is in the publics best interests to have Airl on the air.
